Looking for new physical education and health teaching resources for BC students in grades 4-7? Access it at <http://bit.ly/UBClearningforlife>! #LearningforLife #DigitalHealthLiteracy #UBC #DigEM

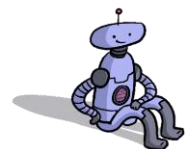

UBC's Digital Emergency Medicine is proud to share the Learning for Life resources for educators teaching grades 4-7. New teaching resources include an accessible and easy to use teacher's guide with lesson plans connected to the new K-9 core competencies for the social emotional learning component of the physical and health education curriculum. Learning for Life focuses on building skills in digital health literacy and building knowledge around sleep hygiene, mental health and wellness. Activities for students include in-class and take-home activities, along with an exciting online choose-your-own-adventure comic book! Check out <http://bit.ly/UBClearningforlife>!
